**Аутори:** др Божидар Манић, д.и.а., др Ана Никовић, д.и.а.  
**Институција:** Институт за архитектуру и урбанизам Србије

Урбанистички пројекат прецизира измену трасе магистралног гасовода која је оквирно дефинисана Просторним планом. Урбанистичким пројектом се на предметној деоници утврђује енергетски коридор који садржи 4 зоне заштите гасовода, укупне ширине од 600 m, поклапајући се са обухватом овог урбанистичког пројекта (630 ха). Задржавају се постојећа намена и начин коришћења земљишта, а за потребе изградње гасовода не формирају се нове парцеле. Право службености се успоставља у поступку непотпуне експропријације, на основу Закона о утврђивању јавног интереса и посебним поступцима експропријације и прибављања документације ради реализације изградње магистралног гасовода граница Бугарске - граница Мађарске.

Urban project specify the modification of the main gas pipeline route, preliminary proposed by the Spatial Plan. The energy corridor which contains 4 gas pipeline protection zones is defined with a total width of 600 m, coinciding with the scope of this urban project (630 ha). The existing parcellation and land uses are retained. The right of usage is established in the process of incomplete expropriation, based on the Law on Establishment of Public Interest and Special Procedures of Expropriation and Obtaining Documentation for the Realization of Construction of the Main Gas Pipeline Border of Bulgaria-Border of Hungary.
